**Great American Title Offers Free Tickets
To Veterans, Students and Teachers**

(PHOENIX) July 1, 2018—Great American Title Agency (Great American) is proud to announce that it is a co-sponsor of the Scottsdale Center for the Performing Art’s program which offers complimentary tickets to veterans, teachers and students at a variety of events at the Scottsdale Center for Performing Arts. The City of Scottsdale, through the non-profit Scottsdale Cultural Council, has been offering complimentary tickets to veterans for several years but through the support of Great American and its co-sponsor, Tiffany & Bosco, P.A., the popular program was expanded to include students and teachers.

“The performing arts are an integral component of our culture and it shapes who we are and who we hope to be so it is important to make it available to our youth and teachers so that it can benefit future generations. Our veterans made the sacrifice so that we all might live in a country where freedom of expression is protected so we offer the tickets to veterans as a way of expressing our thanks for their service”, said Bruce Beverly, CEO of Great American Title Agency. “Budget pressures in education have reduced or eliminated arts in schools today so it is important that the youth in our community have an opportunity to be introduced to the arts and in so doing, enable them to pursue a future in them if they so wish.”, said Beverly. “The Center’s commitment to excellence and service to the community are values that we share at Great American Title.”
